Report: ONE JIB 2023-002

---

## 1. RECOMMENDATIONS

It is recommended that the Board:

1. Receive the report.

## 2. SUMMARY

On February 10, 2023, ONE Investment distributed quarterly reporting packages for the fourth quarter of 2022 to the Participating Municipalities. These packages allow the Participating Municipalities to monitor the performance of their investments. The reporting packages are included as an Appendix to this report.

## 3. BACKGROUND

**The reporting packages follow the standardized format used in previous quarters**

The packages include information such as book values and market values of investments, investment income, gains, transactions, and performance by Outcome and by Fund. Commentary on performance is also included in the reporting packages. The details support municipal reporting needs, while also providing valuable performance-related information. These reports are normally distributed to the Participating Municipalities within six weeks of the quarter end.

**Annual summary included in municipal performance reports**

The 2022 year-end municipal reporting package includes an annual summary that provides municipalities information to assist with the preparation of year-end financial reporting.

## 4. CONCLUSION

ONE Investment has distributed investment performance packages to allow staff and Councils of the Participating Municipalities to evaluate the performance of their MNRI invested with ONE JIB.
